

Greetings EMTC members,

I am pleased to announce the launch of phase 2 (online membership portal) of our brand new modern & vibrant website. We wish to invite you to please participate and join our esteemed socially ever friendly inclusive tennis club. The executive has been working hard to make sure you have the most enjoyable season possible.

Our goal is to increase our membership and initiate a social media presence. As we did this past year, a more detailed events calendar is posted on the new Erin Mills Tennis website (erinmillstennis.ca). Be sure to review this tab.

We hope you are all pleased with the court camera, where you can view our courts from the comfort of your home. This gives our members the added touch & convenience of viewing if the courts are busy or wet after a rain shower.

Our passionate executive team has been working hard and we added some new initiatives and programs such as Ladies Daytime RR, EMTC Pros and Junior Advanced High Performance training with our Pro Coach Amanda that has been very successful. We have also added a Junior year end tournament in September. One of our goals this summer is to ensure you are engaged in the sharing of information and ideas whilst enjoying the Free socials – BBQ, Pot Luck, events conducted by EMTC.

Our hope is that more current & past members as well as guests will join us to enjoy our amazing friendships, develop new ones and continue our healthy living lifestyle in our community. Please visit our new website for ongoing updates also our 2017 registration information and new initiative & incentive for renewed memberships will be launched in January 2017.

As mentioned at the AGM, due to increasing costs incurred by the club, for eg..Hydro bill \$1500.00 annual and the replacement of 2 light bulbs @ \$1200.00 and more details in our financial report. As a result we have no alternative but to increase our membership rates this year, however we plan to reward our loyal returning members. Please refer to details on website.

If you have any questions or ideas for improvement, please feel free to contact us.

I feel the greatest reward for doing is the opportunity to do more for our community!

Together we achieve more!

Thank you for your continued support.

Sincerely,

Jeevan Pragasam

President, EMTC
