35 Members were present.

President began the meeting after the quorum requirement has been met with. President started with review of the year. President Thanked the Executive Committee and Members for their patience during these difficult times of the Pandemic. He continued with the remarks that EMTC met all the challenges and had a good year.

Note from President

- ❖ Agenda and the financial report have been sent to the members. Jeevan will provide a top line financial figures and bulk of the financial statement will be provided by Prakash. Overview of the performance will be provided by Jeevan.
- ❖ It was sad to see Bassem Kamil (VP) and Family leaving to Florida. Wished them all the best in their future endeavors. Bassem's contribution for EMTC has been remarkable and Thanked the Kamil family for all the work they have done for EMTC.
- ❖ Micky Mishra was selected for the role of VP to fill in for Bassem Kamil. This opened up the position of Director Memberships which will be announced in the Future.
- ❖ Challenging year and the executive team have met these challenges. Executive team provide the following
 - Prakash – Financials
 - Mickey – Memberships
 - Abby – Website
 - Dean and Alex – Maintenance
 - Alfalo- Round Robin
 - Amanda – Juniors and Clinic
 - Jake – Ladder
- ❖ Jeggy Soft platform worked very well. However, there was few issues with memberships booking courts and late cancellations and No Shows. It's an ongoing issue. Which made some members abuse the bookings etc. The issue will be sorted and zero tolerance of

members who abuse the system. Ongoing discussions with the system analyst to resolve the issue.

- ❖ Men's ladder was successful. There were approximately 35 members who participated. Thank you to Jake for the support.
- ❖ Social Media of the EMTC needs to be more active. Seeking young volunteer to help and support.
- ❖ Maintenance
 - Resurfacing of the courts
 - Trimmed tree branches around the perimeters of the court.
- ❖ There were complaints with regards to kids loitering around the courts. The city was informed with regard to the issue as well as security. Finally as an initiative to stop the kids from loitering the benches were removed from the premises. The benches to be brought back next season
- ❖ Financials are stable – Prakash to highlight the Financials and Budget. Memberships fees were \$ 37,935, Expenses - \$16,324 and the Net income was \$21,620.
- ❖ Salto Lock system was a hindrance and breaking down many times. Large expense incurred for this system. The locks will be replaced the next season with a numbered lock
- ❖ 8 lights were replaced with a cost of \$3,000.
- ❖ Round robin was a success and Thank you to Alfalo for the hard work. However, all the courts were not filled. Next season plan to get a volunteer coordinator to run the round robin. This season only 2 courts were used and there were complaints from members are the other courts were not being used and could have been booked for playing. Therefore next season if the courts are not filled the rest of the courts will be opened up for bookings.
- ❖ Many Junior Members this season. Thank you to Amanda and Raj for conducting the clinics and all the programs. Next year plan to have Junior teams taking part in the ICTA tournament on Saturday mornings and start the new league.
- ❖ New Programs are planned for next season launch of a new social BBQ event, Potluck and Exhibition matches. Volunteers are required for the events. Project Co- Ordinator required for the Newsletter editor help and support in generating more revenue from advertising and deliver more innovative programs.
